JAMES AND ALBERT STREETS

TORONTO

November 23rd, 1914.

Dear Friend,

You will have noticed by the press that Commissioner Wm. J. Richards, late of New Zealand, has been appointed to succeed our late beloved Commissioner Rees in the command of our work in the Canadian Territory, and that a meeting of welcome to him has been arranged to take place in the Massey Hall, Thursday, December 3rd, at 7.45 p.m.

The Commissioner has had a very extensive and varied experience in the work of The Salvation Army in many Countries, and we would like to give him an enthusiastic welcome on the occasion of his arrival in this city.

His Worship Mayor Hocken has kindly consented to preside at the above-mentioned gathering, and Premier W. H. Hearst has also signified his intention of being present; these gentlemen will be supported by a number of representative citizens.

It will afford us very much pleasure to forward you a suitable number of complimentary tickets, if you will do us the favor of filling in the enclosed card and return the same to me without delay.

We sincerely trust that you may find it possible to attend. Tickets will admit by the Victoria Street entrance, and seats will be reserved until 7.45 p.m.

Anticipating your kindly interest,

I beg to remain,

Yours sincerely,

Major.

Major D. C. Moore,
Albert Street,
Toronto.

Dear Sir:

President Falconer is at present in Edmonton and I am not sure when he returns. When he left he expected to reach Toronto on Wednesday, the 2nd of December. I am therefore asking for tickets for Thursday evening, but the President may not be back, and if your tickets are in great demand, perhaps it would be well not to send them.

Yours very truly,

President's Secretary.
